## WHAT ARE WE ASKING FOR?

- We demand a social fare for people on low or very low income, in the perspective of free public transit system for all!

## WE ALSO PROPOSE :

- A social fare provided for at least the same reduction as for the seniors and the students;
- A social fare applicable to the monthly pass and to a single ticket as well;
- Eligibility should be based on *Low Income Measure* (more or less \$ 24,000);
- Eligibility process should be based on the income tax declaration or on the claim slip for social assistance/social solidarity.
